THE MASTERS OF GOLF ART

IdeaCenter

Shown Here: Limited 19.5 x 36 with Midnight Black Frame

Each frame is assembled by hand and includes all the hardware. Each print is signed by the artist and includes the club name and hole information. Many of our club partners add the club logo and expanded hole information.

Customize your offering by adding options like Matting, Museum Glass, Imprinting, or additional Frame moulding selections.

Our Fine Art Prints are available in four sizes, framed or unframed:

Desktop	7.5 x 13" unframed
Signature	13 x 24" unframed
Limited	19.5 x 36" unframed
Gallery	24 x 44.25" unframed

The Museum Collection reflects visual memories of the beauty and challenges of your course. Our expertise helps preserve the vivid color and detail that simply can not be achieved using traditional photographic techniques. Museum quality reproduction using the finest watercolor papers and archival pigment inks achieve rich color saturation and reproduce the finest textures. Frame mouldings chosen for the Museum Collection are made in the USA. Standard mouldings, honey or espresso, bring out the natural warmth of the images.

Now available!

Any image from your portfolio is now available in Beautiful Black & White. We have selected a wonderful new paper substrate to achieve the look and feel of old school photographic fiber based papers. Available in all of the standard Museum Collection sizes and options.

Shown Here: Silver 13.5 x 30 with Classic Gold Frame

The Masters Collection reflects a classic style that enhances the beauty and personality of your course. This painterly medium replicates the look and feel of the Old Masters.

Museum quality printmaking using high-resolution technology, canvas and archival pigment inks achieve vivid color reproduction and exceptional detail. Custom frame mouldings and liners have been selected to compliment the old world style. Frame options include contemporary to classic moulding profiles.

Each canvas is signed by the artist. Brass or stainless engraved plaques include the club name and hole information. Canvas is stretched over a hardwood stretcher bar, then coated to seal and add UV protection.

We also offer Gallery Wrap. This is a ready to hang unframed presentation. Framed overall size varies based on moulding choices. Our Canvas Prints are stretched, sealed and are available

in four sizes:

Bronze	9.5 X 20" stretched
Silver	13.5 x 30" stretched
Gold	19 x 40" stretched
Platinum	23.5 x 50" stretched

Details

THE MASTERS OF GOLF ART

What makes your club different? We have taken images of the little things that make your club unique. These images make great visuals to decorate with. Whether it is a life size photograph of a pin flag or some of the flowers that adorn the landscape, we have included a sampling of the little things that tend to get overlooked by others. Shown here is a **10 x 24"** piece that shows three of our detail photographs in one frame. We also offer individual detail photographs as **18 x 18"** Gallery Wrapped Canvas ready to hang.

Options

THE MASTERS OF GOLF ART

We have put together a very broad range of frame mouldings, matting and other options for you to create your own personalized piece of art. We understand creativity and encourage you to have a piece of art that is unique and enhance the space you wish to display it in. To go one step further, if you don't see what you want, contact us. We will make every effort to make it happen. That's why we are different.

Glazing

Museum Glass is a great option to eliminate reflections and retain color integrity. This glazing reduces harmful damage from UV light. Perfect for use in rooms with a large number of windows and direct sunlight.

Plates & Imprinting

Personalize your gift by adding a special message. Add a corporate logo for a special event or outing gift or prize. Fine art prints are created individually which allows us to add logos or other event information. Brass or stainless plaques add that personal touch for a hole-in-one or special event.

FrameMolding

THE MASTERS OF GOLF ART

Frames have been selected to enhance the beauty of the images. All of the materials include a limited lifetime warranty. Most of the moulding we use is made in the USA. Each frame is hand assembled and inspected before shipping to maintain our unparalleled standards.
